18.07.11	<p>Request to the Parish Council for Safety Measures on Walk to Place Farm from the Railway Station</p> <p>Dear Sir/Madam - I work for the National Trust at Place Farm Courtyard and walk to the office from the railway station.</p> <p>Although it is less of an issue in the summer, in the winter when it is dark, it means walking down the narrow road until the pavement starts at Tisbury Row. This section of road can be quite busy and fast and I know a number of us have had near misses while walking the short stretch of road.</p> <p>Because there are up to 70 staff at our office as well as numerous visitors to Messums, plus the other smaller offices, it feels like there would be some benefit in looking to make some road safety improvements in this area.</p> <p>At the most basic level, I wonder if a white painted line with a pedestrian painted on (as has been done on the bridge by the railway station), would provide some limited protection? A better, but more expensive option, would be to create a raised footway in the field which would link to the Court Street footbridge.</p> <p>I would be grateful if this suggestion could be brought up at the Parish Council meeting.</p> <p>Many thanks.</p> <p>Your faithfully - Mr X (works at Place Farm)</p>

18.07.15	Commemorative Tree in St John's Churchyard -The Church Wardens are mindful to support the planting of a commemorative tree/shrub (a lilac is favourite at present - there is one that was created in 1925 which might be appropriate)) but they will need a formal request from the PC to the PCC to do this and they will also require higher diocesan approval. Are Parish Councillors still in favour of the idea? - as a formal request will need to be made via the Church wardens?
