

## TISBURY PARISH COUNCIL

# ANNUAL PARISH MEETING 2011

The Annual Parish Meeting will be held on  
Tuesday 17<sup>th</sup> May at 7pm in the Victoria Hall in Tisbury.

In addition to the usual reports from the Parish Council, you will be able to listen to a Wiltshire Wildlife Trust representative telling us about the Invasive Plants Project. This should be a very interesting opportunity to hear how the plan to eradicate Japanese Knotweed from the Tisbury area is progressing.

Please come along and make the evening interesting.  
Light refreshments will be available from 6:45pm
