- 10.06.05 **CONSIDERATION OF PLANNING APPLICATIONS:**
S/2010/06825 - TCA - Academy Cottage, Hindon Lane, Tisbury - fell and remove 1 no. ash
P.Cnllrs resolved to support the comments of the Tree Warden, i.e. no objection to the removal of the tree, it being totally unsuitable for the size of garden. It was noted that others were likely to need felling in the near future. Clerk
Proposed JBM/ seconded DC / unanimous
- 10.06.06 **Update on Hindon Lane** - there had been no communication from Jane Weston with respect to the draft lease for the field. Due to the protracted negotiations on the s106 with respect to affordable housing, it was necessary for the Southern Area Planning committee to consider an extension to the deadline for agreement.

FINANCE

- 10.06.08 ***Financial Report*** – the income and payments data previously circulated were approved.
Proposed JBM / seconded DC /unanimous Clerk
- 10.06.09 ***Internal Audit report for 2009/10 with action plan*** – P.Cnllrs noted the actions required before resolving to accept the report from Auditing Solutions Ltd.
Proposed JBM / seconded DC /unanimous Clerk
- 10.06.10 ***Effectiveness of Internal Audit and re-appointment of Auditing Solutions Ltd*** – a draft review of the effectiveness of internal audit was considered and noted before P.Cnllrs resolved to accept the review of the effectiveness of Auditing Solutions Ltd. The Clerk undertook to discuss the provision of employee tax codes with the payroll bureau.
Proposed DC / seconded PeterC /unanimous Clerk
- The Clerk recommended the re-appointment of the current internal auditor as they are very thorough, more so than required, and on hand to offer advice throughout the year on specific accounting matters. P.Cnllrs agreed with this view and resolved to re-appoint Auditing Solutions Ltd. as internal auditors for the 2010/11 accounts and Annual Return.
Proposed JBM / seconded MissFC /unanimous Clerk
- 10.06.11 ***Annual Return for 2009/10*** –
i. P.Cnllrs considered section 1 of the Annual Return and the statement of variances – no queries were raised by P.Cnllrs on the accuracy of the figures that had also been checked by the internal auditors.
P.Cnllrs resolved to accept that section 1 of the Annual Return is a true and accurate reflection of the PC accounts. **Proposed JBM / seconded MMcG /unanimous** Clerk
ii. P.Cnllrs carefully considered each of the statements in section 2 of the annual return, before deciding that they were happy to answer 'YES' to each statement.
P.Cnllrs resolved to accept section 2 of the Annual Return, agreeing with each statement except no. 9 that is not applicable to TPC. **Proposed DC / seconded MissFC /unanimous** Clerk
- 10.06.12 ***TPC benches at Stubbles and new information board and seat*** – the newly installed seat cost in the region of £1,000 and Natural England is has asked that the PC assume ownership. The premium would be in the region of £100 for 'all risks cover' and the excess would be £125.
P.Cnllrs resolved to add the LRP seat to the TPC asset register. **Proposed JBM / seconded MissFC /unanimous** Clerk
P.Cnllrs resolved to insure the LRP seat for 'all risks' cover. **Proposed MMcG / seconded DC /unanimous** Clerk
The Clerk was asked to arrange sympathetic pruning of the shrubs surrounding the bench; also to ask for help in removing the Himalayan Balsam from the area in an article for FOCUS. Clerk
The Clerk reported that the immediately adjacent benches at Stubbles (2) were in need of refurbishment and an estimate of £500 plus the cost of the wood had been obtained from a local tradesperson (removal off site, strip down, base coat plus paint etc). It was noted that it would be possible to find new seats at a similar cost, but the quality would likely be inferior and refurbishment would also give work to a local person.
P.Cnllrs resolved to accept maximum estimate of £500 (including wood) to refurbish the 2 benches. Clerk
Proposed JBM / seconded MissFC /unanimous Clerk
The Clerk would inspect the 2 benches on the footpath between St John's Church and the Stubbles playground to determine whether any maintenance was required.

- 10.06.13 **Bobby Van support** - P.Cnllrs resolved not to make a financial donation and refer the request for any support to the TCSP. Clerk

- 10.06.14 **Election of Vice-Chairman following the resignation of Ms Golder as a P.Councillor** - P.Cnllrs resolved elect David Carroll as Vice-Chairman. Chairman
Proposed MMcG / seconded PeterC /unanimous
 P.Cnllrs noted that a formal advertisement of the vacancy was necessary to determine whether the residents wanted a formal election. If not, the PC could then co-opt. Clerk
- 10.06.15 **Consideration of ' Parking in Tisbury' - the next steps for the Parish Council**
 P.Cnllrs considered the previously circulated report, discussing each of the summarised recommendations and noting in particular that:
Cars parked opposite the South Western Hotel and Johnson's Field
 a. spaces were generally available in the station car park when vehicles were parked on the road - see analysis attached to the minutes.
 b. this problem parking resulted from avoidance of cost.
 c. SWTrains need to be involved in any solution.
 d. the impact of double yellow lines in this area could be monitored by the use of 'no waiting' bollards by the police.
 e. acquisition of Johnson's Field for additional car parking and other amenity activity could be promoted
- (8:10pm) **Congestion on the High Street**
 f. an area equivalent to 3 spaces could be reserved for co-ordinated deliveries to businesses on the High Street.
 g. traffic calming was thought to be unrealistic, but a speed restriction - even though unenforceable - was supported.
 h. timed parking restrictions in the Nadder car park was supported.
 i. Parking restrictions on the High Street (2 hours maximum) and opposite the Victoria Hall (extension of yellow lines) were supported.
 P.Cnllrs resolved to support the recommendations proposed **as a package** and a volunteer would be sought to progress the initiative. This would be further discussed at the July meeting. Clerk

- Standing Orders - following the planning meeting on the 18th, the PC standing orders have been checked and confirm that the correct procedure was followed. **Clerk**
 Note: the latest revised model SOs has just been received and will appear on the July agenda.
 - Oddford Brook - a report was expected from Natural England concerning the state of the brook behind St John's Close, but has unfortunately been delayed. There are quite a few dead trees and conifer growth is blocking out considerable light to the stream with an adverse affect on water quality. Whether the PC wishes to pursue the clearance of non-native species from the banks is a matter for debate once the report arrives but would certainly improve the habitat for the water vole.
