Chave, Ms J. Ings, D. Wood; 2 no. CBOs.</p>	
15.08.02	<p><u>Dispensations:</u></p> <ul style="list-style-type: none"> a. declarations of disclosable pecuniary and non-pecuniary interests already declared in the Register of Interests - none. b. declarations of disclosable pecuniary and non-pecuniary interests not previously declared in the Register of Interests - none. 	
15.08.03	<p><u>Public Participation and Presentations</u> (Questions and/or statements)</p> <p>This is an opportunity for residents of Tisbury Parish to speak, for a maximum of 3 minutes, on any agenda item or other matter of interest:</p> <p>A. Parking on the Upper High Street - 6 residents spoke about the difficulties of parking should the TRO north of the Victoria Hall become actively enforced due to the restriction sign being re-erected. Other points of view and facts were also contributed and a more general discussion ensued with pros and cons of potential solutions and the impact on businesses and residents alike being explored. The Chairman highlighted the key data from a meeting paper circulated with the agenda and in particular re-iterated that although the sign was no longer in place, the TRO was still in place, but not likely to be enforced. The absence of the sign however, was not a suitable solution - especially as the removal is an unlawful activity and not condoned by the council in any way.</p> <p>The Chairman indicated that a village meeting was planned to discuss parking issues throughout the village in order to submit a comprehensive review to Wiltshire Council (WC) in January. However, there was no guarantee that WC would prioritise the suggested schemes.</p> <p>At this point, the Chairman allowed agenda item 15.08.09 to be taken out of order to progress any action points:</p> <p>(15.08.09)</p> <ul style="list-style-type: none"> a. The length of the TRO was questioned, with those at the meeting favouring a reduction in length to allow restricted parking for 2/3 cars only. b. Any changes, if agreed by WC were likely to take 18 months plus in the making, and it made sense to review the village as a whole, including Hindon Lane, The Avenue and the Nadder Close car park as examples.. c. A village meeting in October would provide the opportunity for residents to input their ideas through a conversation with councilors and fellow residents. d. P.Cnllrs also felt that residents had to be more pro-active in finding alternative parking spaces, with arrangements being made with neighbours for example. e. Parking permits were briefly mentioned but considered impractical in terms of costs and concerns that a precedent would be set for further areas in the village. 	

(15.08.05)	<p>Following an extensive discussion on the points above, P.Cnllrs resolved to progress in the following way:</p> <ul style="list-style-type: none"> i. WC to be contacted with an update of the current circumstances - attached as appendix 1. ii. Warning cones would be given to Not Just Backs (NJBs) to alert residents that a couple of spaces in the TRO area were ideally required for patients with the least mobility. iii. All residents and businesses in the upper High Street to be kept informed by way of a letter distributed to all - attached as appendix 2. iv. Blue Badge parking only signs to be placed on the areas behind the yellow lines adjacent to the Victoria Hall - subject to the owner's permission. v. A whole village meeting to be held during the last week in October for all residents and businesses to pool ideas on problem areas for parking. <p style="text-align: center;">Proposed DC / seconded MissFC / unanimous (7)</p> <p>B. Following the refusal of the SK8 park application, a member of the SK8 working group spoke in favour of using site 2 as an alternative, whilst recognizing that a great deal of further negotiation was required in terms of impact on other users of the area, funding, design and legal aspects.</p> <p>At this point, the Chairman allowed agenda item 15.08.05 to be taken out of order to progress any action points:</p> <p>Following a brief discussion, P.Cnllrs resolved to further consider site 2, together with the potential for moving onto Fonthill Estate land, as a part of the research.</p> <p style="text-align: center;">Proposed DC / seconded SM / 5 in favour with 2 against</p> <p>Note: the Clerk was still waiting for a decision on the R" funds availability should the site be moved.</p>
