

TISBURY PARISH COUNCIL – June Meeting

CONSIDERATION OF PLANNING APPLICATIONS:

S/2010/06825 – TCA – Academy Cottage, Hindon Lane, Tisbury – fell and remove 1 no. ash

P.Cnllrs resolved to support the comments of the Tree Warden, i.e. no objection to the removal of the tree, it being totally unsuitable for the size of garden. It was noted that others were likely to need felling in the near future.

New Arrivals at Stubbles!

Natural England have very kindly given Tisbury PC a wonderful wooden seat and information board for the Stubbles area – this is now a really pleasant place to sit and enjoy the good weather.

Consideration of ‘Parking in Tisbury’ – the next steps for the Parish Council

P.Cnllrs considered a summary of the recommendations in the WSP report, noting in particular that:

Cars parked opposite the South Western Hotel and Johnson’s Field

- a. spaces were generally available in the station car park when vehicles were parked on the road.
- b. this problem parking resulted from travellers trying to save money.
- c. SWTrains need to be involved in any solution.
- d. the impact of double yellow lines in this area could be monitored by the use of ‘no waiting’ bollards by the police on a temporary basis.
- e. acquisition of Johnson’s Field for additional car parking and other amenity activity could be promoted.

Congestion on the High Street

- f. an area equivalent to 3 spaces could be reserved for co-ordinated deliveries to businesses on the High Street.
- g. traffic calming was thought to be unrealistic, but a speed restriction – even though unenforceable - was supported.
- h. timed parking restrictions in the Nadder car park was supported.
- i. Parking restrictions on the High Street (2 hours maximum) and opposite the Victoria Hall (extension of yellow lines) were supported.

P.Cnllrs resolved to support the recommendations proposed ***as a package*** and a volunteer would be sought to progress the initiative. This would be further discussed at the July meeting.

Community composting – the composting group leader would be speaking to P.Cnllrs at the July meeting about current problems and how to make the site more effective.

Date and time of next meetings

Full – Tuesday 6th July 2010; 7:00pm in the Elizabeth Hall

Additional planning meetings as advised.

There being no other business, the meeting closed at 9:05pm
