### 21.05.04

#### b. Future Planning Developments

i. Potential move of Co-op Stores to South Western Hotel site – no information had been received from the Co-op's representative and it appeared likely that the move may have been thwarted for legal reasons.

ii. Station Works site

Following receipt of an email from Simon Trueick of Intelligent Land, the original intention of the Joint Working Group (JWG) to opening a dialogue to discuss alternative ideas for, as examples, both vehicle access and pedestrian access, has been overtaken by the intent of Intelligent Land to open public consultation, primarily using a dedicated website on Friday 7<sup>th</sup> May; letter drops to all homes will also be made.

The JWG will endeavour to still meet with Simon Trueick next week and raise issues of concern . \*GM/RAB/JA/Clerk

West Tisbury PC will also be asked to nominate a councillor to represent their views and a Terms of Reference will be produced for resolution at the next meeting.

\*Clerk

### 21.05.05

#### c. Climate Strategy Engagement

Councillors noted that as a result of a local Area Board priority on Climate Strategy Engagement, the Chairman has asked our new Councillor Julie Phillips to represent this council at a meeting on 23<sup>rd</sup> May. Some feedback to Julie will be required from current councillors as the priority will be ongoing.

## MATTERS REQUIRING Consideration/Resolution

### 21.05.06

Addition to Skate Park – councillors were referred to the photograph of a recently added 'improvised' grind rail at the entrance to the bowl. The Clerk has consulted the insurers that are happy to accommodate as a part of the policy subject to a risk assessment being available, but councillors resolved to have the item taken away in order to discourage other 'additions'. \*Clerk

### 21.05.07

EPSON printer – termination of lease – following a further short discussion, councillors resolved to keep the printer and buy out the lease at the end of the period prior to recycling if possible – **PD/ECC**. \*Clerk

### 21.05.08

Parking on double yellow lines adjacent to Fishmonger shop - councillors agreed to take further advice on other possible solutions from the CATG Engineer; this was thought preferable in the short term as the introduction of yellow crossed hatching would have an impact on the parking for Co-op delivery lorries that blocked the High Street when legitimate on-street parking was not available. \*Clerk

### 21.05.09

Ratification of permissions to use KGV for outdoor activities – these permissions were carried forward from the April meeting 2:

Southampton Football Club Youth training

Pilates classes

Councillors resolved that the necessary permissions be given; **PD/ECC unanimous**. \*Clerk

### 21.05.10

Items for the next agenda

Potential asset transfer

Vision Statement update – last version 2014

Trees on The Avenue

### 21.05.09

**Exclusion of the Public and Press** - that under the Public Bodies (Admission to meetings) Act 1960 (as extended by s.100 of the LGA 1972), the public and accredited representatives of newspapers be excluded from the following item of business on the grounds that it involves the likely disclosure of exempt information as defined in Part I of Schedule 12A of the LGA 1972: none.
