Dear Sandra,

Many thanks for getting in contact with us and as per my voicemail, please see the information below regarding our SID units and their options:

Our SID GEN5-Lite “The ‘Simple’ One” is easy to set up and always simple to deploy. This is a 6kg lightweight radar display which can be one person install. This comes with:

- Hand activation for speed threshold change
- SID Smile (Positive driver feedback)
- Bluetooth Communications
- Android SID-Lite App
- Installation Bracket
- Power Pack

- Data capture **is not** included in this pack.

Guideline price £1,855

Our SID GEN5-Smart “The ‘Clever’ one” Easy set up and one person install, 6kg in weight. Data capture and reporting make for smart road safety education. This comes with:

- SID Smile (Positive driver feedback)
- MyTrafficData online analysis suite
- Bluetooth Communications
- TXT/DMP Data Formatter
- Internal Data Memory
- Android SID-Pro App
- Exit Speed Capture
- Installation Bracket
- Cloud Transfer
- Power Pack

- Data capture **is** included in this pack.

- Please see the link below for an example of Data capture on the online MyTrafficData website:

[Data Capture Report](#)

Guideline price £2,114

Our SID GEN5-Pro “The ‘ProActive’ One” Easy set up and one person install, 7.5kg in weight. Data, reporting & messaging for really smart road safety education. This comes with:

- SID Smile (Positive driver feedback)
- MyTrafficData online analysis suite
- Bluetooth Communications
- TXT-DMP Data Formatter
- Internal Data Memory
- Android SID-Pro App
- Exit Speed Capture
- LED Text Message
- Installation Bracket
- Cloud Transfer
- PowerPack (4-6 day life / Solar or mains power recommended)

- Data capture **is** included in this pack.

Guideline price £2,350

Training in use of the SID's data capture features is not compulsory but is advisable and costs £550 (this includes installation and commissioning of the SID). If training is provided, the SID is brought on the day* so no carriage costs apply to the purchase. Carriage, packing and insurance costs typically £75 per unit.

* Location Dependent

Please see our information video in the link below to take a better look at our impressive displays

[SID Overview](#)

If you have any questions, or would like an example quotation, please do let me know.

Kind Regards

Ava

Good Morning Sandra,

Many thanks for taking my call earlier and as discussed, please find your quotation attached for the SID Smart unit with Solar panel. This unit has the data recording as requested.

We can also offer a:

Spare battery - £110

Battery charger for back up to the solar panel - £95

Pre configured android tablet for connection to the device - £328 (The unit comes with an android app as standard however.)

Should you have any questions, please do let me know.

Thank you Ava,
The Councillors will be discussing the purchase of a SID on 3rd August and I'll get back to you when I can after that.
Thanks for the prompt attention,
Sandra
