

02.06.14ii – Formal Approval of Small Grant Applications

Councillors will remember that a total of 6 grant applications were submitted against a total budget of £1,836:

New Vic (Victoria Hall) – kitchen refurbishment - £300

St John's Church – maintenance of village clock - £300

Tisbury Community Choir – purchase of copyrighted music - £300

Community Garden – day hire of a digger - £288

Tisbury Croquet/Bowls Club – a storage container - £300

TisTalk – set up costs for a weekly podcast for Tisbury - £300

Each of these bids was discussed informally, including representations from those submitting bids. None of those present had any objections to the bids and each is now required to be formally approved.

Councillors will also remember that there was some debate about the mechanism to fund TisTalk and this needs to be formalised, if not at this meeting then in July, to provide a level of commitment to the applicants.
