MATTERS TO BE CONSIDERED and/or RESOLVED		
19.10.31	<p><u>Reduction in Street Lighting in Church Street</u> – following a request from a resident, do P.Cnllrs wish to progress this suggestion? If so, a resolution required. There was a little confusion regarding exact locations, also it was thought there is a resident who does not wish for a street lamp to be turned off. The Parish Council agreed in principle to the turning off of Street Lights wherever possible and safe to do so, subject to consulting residents’ opinions. The above proposed LC-C/seconded FC (5 in favour and 1 abstention)</p>	
19.10.32	<p>West Tisbury PC Suggestion for a Joint Storage/Recycling Point A suggestion raised to consider forward thinking/planning to secure an area of ground for the above. Following a short initial discussion, it was felt public recycling is being well covered by kerb side collections but a fenced and locked area “Compound” to store street cleaning equipment and temporary holding area for other items could be</p>
